A Unit of
MUVATTUPUZHA CO-OPERATIVE
SUPER SPECIALITY HOSPITAL & RESEARCH CENTRE
Ltd. No. E1018

Muvattupuzha Co-Operative Super Speciality
Hospital & Research Centre
Ltd. No. E1018, Muvattupuzha, Ernakulam

About MCS Hospital

MCS Hospital was started functioning in the year June 2017. It is located in Muvattupuzha city, Chalikadavu bridge, on Kothamangalam -Munnar route. This hospital was the realization of a dream of the inmates of Muvattupuzha and nearby places. There are about 1334 shareholders. The hospital was inaugurated by Sri. Pinarayi Vijayan , Hon'ble Chief Minister of Kerala on 18th September 2017. Within a short span of time the hospital gained popularity and reputation in healthcare sector in Ernakulum District. The dedication and hard work of hospital was recognized by the Kerala Government and received the best performance award in hospital cooperative society. MCS hospital is NABH certified . The Hospital with its cost effectiveness and good medical expertise has been attracting not only the residents of these areas since then but even those from distant areas. The Hospital has been rendering charitable services by way of free treatment to the needy poor admitted in general wards and implementing Health Insurance scheme. This is a 200 bedded NABH certified Super Specialty hospital awarded with "KAYAKALP" of the Ministry of Health & Family Welfare, Govt. of India, and Best Co-operative Hospital in Ernakulum District for the year 2017 – 2018 and 2022 by the Govt. of Kerala.

Our Clinical Pathology Laboratory is well equipped and has membership in Quality Control Assay from CMC Hospital, Vellore, AIIMS, New Delhi and BIORAD, USA.

Our Commitment

At MCS College of Nursing, we are committed to creating an enriching educational environment where students can learn, grow, and develop into confident healthcare professionals equipped to meet the evolving needs of the healthcare sector.

Infrastructure

Located in a **serene and peaceful natural environment**, MCS College of Nursing provides a conducive atmosphere for learning, personal growth, and professional development. The college is supported by **excellent infrastructure, modern classrooms, and well-equipped laboratories** designed in accordance with the norms and standards prescribed by the relevant apex and regulatory bodies.

The Team

The institution is supported by a team of **highly qualified and experienced faculty members** who are dedicated to providing effective and student-centred education. Teaching and learning are delivered through a combination of classroom lectures, clinical training, clinical supervision, **Objective Structured Clinical Examination (OSCE)**, demonstrations, discussions, and other innovative teaching methodologies.

At MCS College of Nursing, we place strong emphasis on developing **critical thinking, clinical competence, communication skills, professional confidence, and evidence-based knowledge**. Students are encouraged to apply their theoretical knowledge to real-world clinical situations and develop the skills necessary to provide safe, effective, and compassionate patient care.

The college believes that nursing education should promote the **holistic development of every student**. Along with academic and clinical excellence, we focus on nurturing ethical values, leadership qualities, teamwork, discipline, communication, and social responsibility.

Vision

To become a leading institution in nursing education by developing competent, compassionate, ethical, and globally relevant nursing professionals committed to excellence in patient care, education, research, leadership, and community health.

Mission

MCS College of Nursing is committed to:

- Providing high-quality nursing education through a learner-centred and competency-based approach.
- Preparing nurses with strong clinical knowledge, practical skills, professional values, and effective communication abilities.
- Promoting safe, compassionate, dignified, and patient-centred care in all healthcare settings.
- Integrating academic instruction with supervised clinical learning at MCS Hospital and other approved clinical and community-based facilities.
- Encouraging evidence-based nursing practice, research aptitude, innovation, and continuous professional development.
- Instilling ethical conduct, accountability, discipline, teamwork, leadership, and social responsibility among students.
- Supporting community health, health education, disease prevention, and public-health initiatives.
- Creating a respectful and inclusive learning culture that values diversity, professionalism, and the wellbeing of students and staff.
