

MCS COLLEGE OF NURSING

PROSPECTUS

2026

**MUVATTUPUZHA CO-OPERATIVE SUPER SPECIALITY
HOSPITAL & RESEARCH CENTRE**

Near Chalikadavu bridge, One way junction, Muvattupuzha Ph: 04852836868

MCS Hospital was started functioning in the year 2017 June 1st. Despite the presence of central and state government infrastructure and employees, health facilities in Muvattupuzha were surprisingly underdeveloped.

It is located in the city, market road, on Kothamangalam -Munnar route. This hospital was the realisation of a dream of the inmates of Muvattupuzha and nearby places. About 1334 share holders are there. Since advanced Medical facilities were woefully lacking in the town and the adjacent panchayaths before the commissioning of this Hospital which was formally performed by Sri. Pinarayi Vijayan, Hon'ble Chief Minister of Kerala on 18th September 2017.

Within a short span of time we gained popularity and reputation in healthcare sector in Ernakulam District. We are happy to say that our dedication and hard work was recognised by the Kerala Government Cooperative Ministry by a best performance award. More over we were able to get the national recognition of NABH at the entry level!

The Hospital with its cost effectiveness and good medical expertise has been attracting not only the residents of these areas since then but even those from distant areas. The Hospital has been rendering charitable services by way of free treatment to the needy poor admitted in general wards and implementing Health Insurance scheme.

This is a 200 bedded NABH (Pre-Accreditation) Super Speciality hospital awarded with "KAYAKALP" of the Ministry of Health & Family Welfare, Govt. of India, and Best Co-operative Hospital in Ernakulam District for the year 2018 & 2022 by the Govt. of Kerala. We have the departments of Internal Medicine, Family Medicine, Gynecology, Pediatrics, Neonatology, Orthopedics, General & Laparoscopic Surgery, Plastic Surgery, Ophthalmology, Cardiology, Respiratory Medicine, Gastroenterology, Nephrology, Dermatology, Neurology, Urology, ENT, Physiotherapy and Radiology, with Computed Tomography Scan. Also, Annoor Dental College & Hospital and MGM Silver Jubilee College of Pharmaceutical Sciences are in tie up with our hospital for training purposes. Our Clinical Pathology Laboratory is well equipped and has membership in Quality Control Assay from CMC Hospital, Vellore, AIIMS, New Delhi and BIORAD, USA.
